

April 1, 2016

Dear Ministry/Organization Administrator,

4 His Beloved Ministries is excited to announce an upcoming one-day community wide conference for women! This unique conference is being designed to inspire, equip and mobilize Christian women to saturate our community with the restoring love of Christ. "Restored to Restore" will feature respected leaders in our community, networking opportunities, a panel discussion, worship, inspiring bible teaching, testimonials, and 20+ community outreach ministries available on-site with information. Our goal is to provide Christian women with the information and biblical inspiration they need to confidently address the challenges we face as a community. We believe God can use this conference as a catalyst for change, creating synergy that reaches throughout our beloved city!

Since 2010, 4 His Beloved has been hosting bi-annual events for women of all ages at various churches within our community. On average women gather together from a variety of over 50 different churches, fellowships and denominations. Our aim is to reach as many women as possible, stirring their hearts with a fresh desire to walk in the fullness of Christ and His redeeming love. You can learn more about our non-profit ministry for women by visiting our website: www.4hisbeloved.org

We want to extend a personal invitation for your ministry/organization to participate in this unique opportunity. Your ministry presence at this conference will bring further exposure to your efforts as well as provide women with the opportunity to support your on-going work. By registering as a ministry/organization participant you will be given a table for displaying your ministry information and a business-card sized advertisement in the conference booklet (These booklets are being designed for attendees to keep for future reference). Throughout the day we will be providing breaks to encourage women to visit the various ministry tables, ask questions, and gain valuable insight.

“Restored to Restore” is being held on October 22, 2016 at the Salinas Elks Lodge. The cost of your registration fee is the same cost as the conference ticket (\$25) and includes lunch. Our desire is to make this conference as affordable as possible for everyone. To register and reserve your space for this conference please fill out the attached Submission Form and return with your fee. Space is limited and we want to make sure every spot is filled, so we encourage you to return your submission form as soon as possible.

Our theme verse for this conference is *“The Restorer of streets to dwell in”* Isaiah 58:12. Jesus is the great Restorer and He longs to expand His work through us who believe. Will you join us as we partner with Him to bring the restoring hope of His love to the streets of Salinas?

We pray the Lord will bless and prosper all the work of your hands as you continue to labor in love for His glory and the furtherance of His kingdom!

Joyfully Serving Christ,

Lisa Cook
